

# ARTS DAY GALLERY

Share Your Creations on the California Arts Council Website  
[www.cac.ca.gov](http://www.cac.ca.gov)

Since October is National Arts and Humanities Month, California will kick-off a month-long celebration of the arts on October 1 with the Fourth Annual Arts Day. The California Arts Council (CAC) is seeking images of children's art and other Arts Day-related activities created by K-12 students to post on its new online **Arts Day Gallery** ([www.cac.ca.gov](http://www.cac.ca.gov)). Please document your student's creativity and submit it to the CAC for this innovative gallery.

## **WHAT TO DO:**

Photograph your local Arts Day event especially focusing on the artworks created by children. (All art forms are encouraged.) Examples might include: Student art exhibition, dance activities, theatrical performances, and musical performances. Please provide a short description of the activity including school district, county, city, and class information.

MAIL PHOTOGRAPHS (hard copies) to:
